Good Afternoon Madam, I'm sorry but I must give you a penalty because you and your family are not respecting the rules on the beach about keeping the distance with other people for Covid 19.

There are only a few simple rules to respect when you are driving, remember don't drink, don't use drugs and it's also very important to always keep your seat belts securely fastened.

Remember when you park your car is strictly forbidden to leave pets in, especially during summertime when the weather is very hot and sunny.
